November 2015

## Shelter Donation from Local Realtor

### Dream Realty raises funds for Shelter Foundation

As part of Royal LePage's national Shelter Foundation, Envision was on the receiving end of a \$2,000 cheque from Estevan's Royal LePage Dream Realty. The Shelter Foundation helps real estate offices organize local Garage Sales to support women's shelters and violence prevention programs. Thank you Dream Realty for involving us in your signature fundraiser.

## Envision on the Road in Rural Communities

Envision welcomes the opportunity to get out and meet people in the community. In October, as part of the Wawota Early Learning Fair, we set up a booth promoting our programs and services in that area.

Envision also took a display to the Wellness Fair at the Bear Claw

Casino, geared primarily for staff and administration.

Also this fall, Envision offered education to students and visitors at Oxbow School.

**We're portable. Call the office to book a display or presentation at your location.**

## Canadian Tire JumpStart

Envision has entered into a partnership with Canadian Tire to participate in the Jumpstart program. Parents with young kids working with Envision's programming can now apply for and receive funding through this national charity. Since Jumpstart began, Canadian Tire has funded more than one million children in their individual sports and activities.

*Exploring your options and supporting your decisions.*

**Did you know??**

Envision subscribes to Canada Helps, a national charitable platform helping non-profit organizations offer on-line credit card donations to supporters. You can now go onto our website to make a donation: simply use the Donate Now button on the website,

[www.envisioncounsellingcentre.com](http://www.envisioncounsellingcentre.com)

You can still donate by mail or by dropping in to see us at the office.

**Oxbow Grows in 2015**

What started as a weekly clinic with a visiting counsellor in Oxbow has grown to a fully staffed office. Clients needing Envision services in the Oxbow region can now make appointments and see a counsellor in the Oxbow school location.

Thank you to the community of Oxbow for the warm welcome.

**R.M. of Coalfields Supports Community**

*At their summer meeting, Councillors of the R.M. of Coalfields, No. 4, pledged \$5000 to fund programming in Estevan, Bienfait, Oxbow, and region. Envision calls this a Transforming Sponsorship, and is so grateful for the foresight and commitment of the Council. Sponsorship is crucial to the operation of this organization and a donation of this magnitude allows Envision to continue efforts in Education and Awareness programming.*

**Envision is grateful for the support. THANK YOU...**
