

Envision Counselling & Support Centre

- 2019 Year in Review -

Happy New Year to all, as we close out our Silver Anniversary year here at Envision.

2019 marked our 25th year of supporting communities throughout the Southeast. To celebrate, we brought in Theoren Fleury who hosted a workshop in Weyburn and a luncheon in Estevan with great success and engagement.

This year we also held a successful radio fundraiser in

Estevan called 50% For a Cause.

We are so thankful for the support we received from both the sponsors

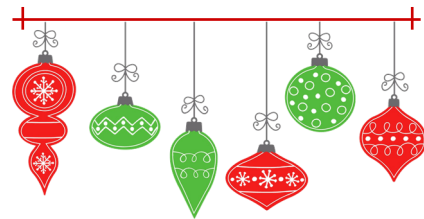

and community members who participated in our 2019 events. We would not be able to do what we do without all of you.

Envision's outreach team focused on prevention in schools, reaching more than 150 classrooms with presentations on healthy relationships, cyber abuse and sexting.

With 3362 counselling sessions and 8429 family support contract hours this year, we maintained our

mission to encourage and support healthy choices in individuals, families and communities in Southeast Saskatchewan by delivering innovative programming and diverse counselling and support services.

From the Executive Director team of Christa Daku and Lynda Rideout, as well as the Staff and Board of Envision, we wish you peace and happiness in the holiday season.
